Did you know...?

Any resident can be a member of the Social Club

Most events revolve around a holiday and meals are offered at reasonable prices

We meet several times a year to plan social events

Social Club members help with food prep, room décor and table set-up, sign-in table and 50/50 ticket sales, meal serving, event clean-up, etc.

"To Go" meals are offered (for most events) when residents are unable to attend, but since it's a SOCIAL event we encourage you to join with your friends and neighbors in the clubhouse

At times we have leftover food and we'll be offering "Take Home" boxes at half price.

If you do want your meal "To Go" you must indicate it on your registration slip. That way we can plan for appropriate seating and the extra time needed for preparing the boxes in advance (*boxes are available for pick-up 10 minutes prior to event.*)

50/50 Tickets are sold at the sign-in table:
\$1/Ticket or \$5/ 6 Tickets

Proceeds are used to provide a free Thanksgiving Dinner for our residents.
